Today we welcome our good friends Sporting Khalsa to The Sports Ground.

We hope they enjoy their time with us and travel safely.

Although Khalsa's current form is not good they will be a difficult opponent.

Since getting promotion to Step 4 they have consistently been in or around the play off positions and I expect no difference this season.

Our good form continues with a 2-0 home win against Gresley Rovers on Saturday, which maintained our 5th position in the league.

Although we were not at our best we ground out a win with 2 well taken goals from debutant Lee Chilton and Nathan Kabeya.

Special mention must go to Ben Newey who put in an exceptional performance in goal to keep us in the game.

On Saturday we travel to Cambridge City. There is a coach departing the ground at 10.30. Please contact Paul Roberts for a seat on the coach, price £15.  
(email: [dprobbo@gmail.com](mailto:dprobbo@gmail.com) Tel: 07429 887570)

Next Tuesday we have a home tie in the Birmingham Senior Cup against Halesowen Town.

We are expecting a big crowd and to avoid disappointment on the night suggest you book tickets in advance online at [tktp.as/EEGEWW](http://tktp.as/EEGEWW).

We have reduced prices and admission is only £6 for adults and concessions.

We look forward to welcoming you to the Sports Ground.

I hope you enjoy tonight's game and look forward to seeing you again very shortly.

Yours in Sport

Brian Blakemore, Chairman

# Managers Thoughts

Welcome to all of Sporting Khalsa, players, management and officials.

I said in my preview for the game that Sporting Khalsa, no matter what form or league position, will finish minimum 'play offs' come May.

They have a fantastic squad, full of experience and lead by a manager who for me is in the top two in the league.

This is going to be tasty, full bodied derby I have no doubts about that. We have to do what we've done all season and play front foot football and if we get undone by that then that's fine, I can take that on the chin.

I said before the weekend that we have earned every single one of the 25 points we have and we're going to have to run through brick walls tonight to get anymore.

Let's hope we have a good crowd to make it an even more exciting game between the two good sides

Grant Joshua

# History of Lye Town FC

The club were established in 1930 as Lye & Wollescote Amateur Football Club and joined the Worcestershire Combination. They were renamed Lye Town the following year. The club were runners-up in the Worcestershire Combination in 1932–33 and won the Birmingham Junior Cup the following season. Lye were league runners-up again in 1934–35 before winning the league in 1935–36. Lye were runners-up in the Worcestershire Combination for a third time in 1937–38, also winning the Birmingham Junior Cup, retaining the Cup the following season.

Following World War II Lye played in the Central Amateur League in the 1946–47 season before joining the Birmingham & District League in 1947. Lye were placed in the South Division when the league was re-organised in 1954, with a tenth-place finish seeing us placed in Division One for the 1955–56 season. We subsequently finished bottom of the Division and were relegated to Division Two. The league reverted to a single division in 1960 and was renamed the West Midlands (Regional) League in 1962.

The league gained a second division in 1965, with Lye becoming members of the Premier Division. Despite finishing bottom of the Premier Division in 1965–66 and 1966–67, the club were not relegated to Division One. Lye were Premier Division runners-up in 1976–77 before finishing second in three consecutive seasons between 1978–79 and 1980–81. In 1997–98 the club were Premier Division champions, but were not promoted to the Midland Alliance due to ground grading regulations.

2010–11 Lye won the Birmingham Midweek Floodlit Cup, beating Nuneaton Griff 1–0 in the final. Lye were Premier Division runners-up in 2012–13 and won the Floodlit Cup for a second time with a 2–1 win over Southam United in the final. The club went on to win both the Worcestershire Senior Urn and the Premier Division the following season, earning promotion to the Premier Division of the newly formed Midland League. In the 2021–22 season Lye won the JW Hunt Cup.

In 2022-23 Lye finished second to Walsall Wood in the Midland League Premier Division. Having come runners up they were drawn away to Cambridgeshire side St Neots Town in a Step 4/5 Inter Play-Off game. Lye won 6-1 and gained promotion to Step 4 for the first time in their history.

## GROUND

The club play at the Sports Ground on Stourbridge Road, which is shared with the local cricket club. a temporary rail is erected on the northern side of the pitch during the football season.

A seated stand was built at the Stourbridge Road end after World War II. A new stand was built on the southern side of the pitch in 1971, with the seats from the post-war stand later moved into the newer stand when the older stand was demolished. The club has a covered standing area with a barrel roof built behind one goal.

# Sporting Khalsa

## Pen Pics

**IAN ROWE (Manager)** - Formerly a robust and no-nonsense striker with local outfits including Gornal Athletic and Causeway United, Rowe entered management at Dudley Town in 2008.

After leading the club to their highest league positions in two decades, Rowe moved to neighbours Gornal Athletic in the summer of 2010.

In three seasons at the helm, he led the Garden Walk outfit to the West Midlands title, Quarter-Finals of the FA Vase and the top three of the Midland Football League. After a season at Tipton Town – where he led the club to the top six of the MFL and the Final of the League Cup – Rowe moved to Sporting Khalsa in the close-season of the 2014/15 season.

Bringing some of his trusted soldiers and adding some new recruits to the ranks, Rowe's side swept all before them in winning the title with a record points tally and goal total. Since then, Khalsa have finished in the top six consistently in the Midland Football League in addition to winning the JW Hunt Cup, reaching the Fourth Qualifying Round of the FA Cup and the Quarter-Finals of the FA Vase.

**SAM ARNOLD** - Joining a few weeks into the 2017-18 season, Sam soon established himself as the default first choice goalkeeper at Khalsa, impressing with a series of Man-of-the-Match performances. His second season was even more impressive, winning the Supporter's Player of the Year award at the end of the 2018-19 season which saw him help Khalsa to third place in the league and the JW Hunt Cup. The former Wednesfield, Hinckley and Rushall custodian is as impressive with his feet as he is his hands, often proving a decisive first line of attack as much as a last line of defence.

**CARLO FRANCO** - Free-scoring full-back and occasional centre-half who, since joining Khalsa in the summer of 2014 having spent several seasons with Wolverhampton Casuals, has held a cast-iron grip on the number two shirt, impressing with his defensive duties and forward duties alike.

After helping Khalsa to the West Midlands Regional League title in 2014-15, Carlo really established himself as one of Khalsa's stars in the 2015-16 season where his performances earned him Supporter's Player of the Year.

**TES ROBINSON** - Towering centre-half for Sporting Khalsa and St Kitts and Nevis, Tes joined part way through the 2014-15 season as a series of injuries to centre halves threatened the championship winning campaign and was appointed captain for the start of the 2016-17 season. Tes has previously turned out for a host of non-league sides, including Shawbury, Oldbury United, Rushall Olympic, Romulus, Redditch United, Evesham, Chasetown and Halesowen Town.

**JAMES McGRADY** - A left sided attacking midfielder who joined Khalsa prior to the start of the 2019-20 season making his full debut against Stourport Swifts in August 2019. James scored ten goals in a pandemic shortened season, his first coming in a 5-0 win over Coventry Sphinx.

**KIERON WHITTAKER** - Former Wednesfield midfielder who signed for Khalsa in February 2019 having spent the rest of the season at West Midlands Regional League side Wolverhampton Casuals. He made his first appearance for Khalsa in a 1-0 win against Lye Town in March 2019 and followed this with a string of impressive performances which he wrapped up by scoring his first goal in Khalsa colours during the 5-2 win against Dunkirk on the last day of the 2018-19 season.

**SEAN WILLIAMS** - Returning to Khalsa in December 2018 from Quorn, 'Willo' has been a regular on the local non-league scene for many years, turning out for Willenhall Town, Oldbury Athletic, Cradley Town, Bromsgrove Sporting, Studley and Highgate United amongst others. He previously had a short spell with the club during the final stages of the 2014-15 championship season. Despite being one of the senior players in the squad, he plays with the energy and enthusiasm of someone half his age. He made his first appearance during his second spell in a 4-1 Boxing Day victory over AFC Wulfrunians and got his first goal in the following game against his old side Quorn. During the 2018-19 season he bagged five goals in 21 appearances and was awarded the Midland Football League Player of the Season.

**GAZ SINGH** - A dynamic front-man with an excellent goalscoring record, Gaz was a prolific scorer for Smethwick and Tipton Town before clinching a move into the full-time game with Kidderminster Harriers in the summer of 2015. During his time at Aggborough he did well at National League level before moving on to Hednesford Town and Redditch United prior to his arrival at Rushall. After a spell with Sutton Coldfield Town, he returned to Rushall before joining Khalsa in March 2018. Injuries meant his contribution was restricted to four starts and three substitute appearances and a single goal (in the final game of the season against Dunkirk). Gaz returned to Khalsa for the start of the 2019-20 season scoring 13 goals.

**TODD FERRIER** - Promising young midfielder who was developed at Dudley Town before moving to Wolverhampton Casuals and then to Bilston Town for the curtailed 2020-21 season. Joined Khalsa last summer and established himself as a regular feature in the midfield in his first season at this level.

**MATT FULLOWAY** - Central defender signed from Stourport Swifts in the summer of 2020 having made over 150 appearances for the Worcestershire side. His debut came in the FA Cup defeat at Leek Town in September 2020 with his league debut a few days later in the 2-1 win against Highgate United. Missed the start of the NPL campaign last season due to injury but performed well when returning to the side.

**HARRY CUNNINGHAM** - Signed from Chasetown in July 2022 Harry is a tough tackling midfielder who began his senior career at Wolverhampton Casuals with spells at Shifnal Town and Wednesfield before joining the Scholars towards the end of the 2021/22 season.

**ANDY PARSONS** - An experienced defender 'Parso' is no stranger to football at this level having played for Alvechurch, Halesowen Town and Bedworth United before making 17 appearances for Chasetown last season. Having won promotion at this level with Alvechurch his experience will be invaluable.

#### **YUSSIF ADAM**

A young defender who made a dozen appearances last season during the club's first season at Step 4 having made his debut the previous season.

#### **DILANO REID**

Signed in the summer Dilano is a winger with an abundance of pace who is able to beat the opposition defenders to get balls into the box.

#### **CURVIN SANDERSON-ELLIS**

Curvin is a new addition for this season and is a big six foot five forward who has been previously featured for Sutton Coldfield and Stratford Town as well as playing for Boldmere St Michaels last season. He has a big strong physical presence and has a great attitude.

#### **TOUMANI SIDIBE**

Forward who signed from Southern Football League Division One side Evesham United in September 2022 and scored 9 goals last season. Has also played Southern League football for Highworth Town, Cirencester Town and Slimbridge.

#### **PETER TAYLOR**

Young Midfielder joined from Southern Premier outfit Alvechurch in February 2023. Came through the junior ranks at West Bromwich Albion.

#### **CHAY TILT**

Winger joined the club in the summer from Hednesford Town. The former West Brom scholar has also featured for Stourbridge and Redditch United.

#### **ALEX WOODHOUSE**

Midfielder who returned to the club in the summer and was a key contributor to the club's promotion campaign which saw the club move up to step 4.

#### **SHERIDAN MARTINEZ**

Experienced Goalkeeper formally with AFC Teford, Solihull Moors and Shifnal Town.

**ROBBIE BUNN**- Combative midfield signed from Coleshill Town - - previously with Halesowen Town.

**LUKE WARD**- Defender/Midfielder re signed after a brief spell at Alfteton town,

**KIERON MILLER**- Big strong striker recently joined from Darlaston Town- Previous clubs include Alvechurch, Wolverhampton Casuals.

**JORDAN CLARKE** signed from Walsall Wood- previously with Quorn.

**RAKEEM REID**- signed from dual registration from Rushall Olympic a strong pacey attacking player with an eye for goal.

# Club History

The club was established in 1991. Over the years the club has always played senior football in the local Walsall & District Sunday leagues. For two seasons between 1995 and 1997 the club played Saturday football at a semi-professional level. It has enjoyed modest success throughout. From 1991 to 1997 it used to have a small number of youth sides and gained considerable success within the season 1995/96 by winning the Birmingham boys Under 16 league. Due to lack of resources, both financial and manpower, it reluctantly abandoned the youth policy. With a more solid foundation and re-organization of the executive committee in 2004, the club re-joined the West Midlands Regional League Division Two (semi-professional level seven league). In season 2004/05 the first team gained promotion into Division One of West Midlands Regional League (FA League Pyramid Structure level six). It also restarted a youth policy this season. 2005 became a year to remember, as the club became the first Asian semi-professional football club in the country to own its own ground. The decision to purchase the Abbey Park Stadium (formerly home to Bloxwich Town) was taken by the club as it needed a permanent base from which to build upon its successes and built a centre for footballing excellence. Walsall Football Club played a friendly to mark the official opening of the new ground. A ladies team was introduced in 2006 that played in the South Staffordshire League. In 2007 the club played in the FA Vase for its first time and lost in the First Qualifying Round and also introduced a Veterans Over 35s side in the Central Warwickshire Over 35s League. After five years at Abbey Park ground, Sporting Khalsa announced in May 2010 that they would be purchasing the five acre freehold grounds of Willenhall Town FC from the Receivers. After extensive work on the pitch and social facilities with the total outlay of over half million pounds the stadium was finished on the eve of the 2010/11 season. In its first season at their new Aspray Arena home the club gained promotion to the Premier Division of the West Midlands Regional League. 2012/13 the club played in the FA Cup for its first time in its history and progressed to the First Qualifying round. Our Sunday team won the Warley Sunday Premier League and also progressed to the Fourth Round of the FA National Cup. The following season the first team finished sixth in the league and were runners up in J W Hunt Charity Cup at the Molineux Stadium. At the start of 2014/15 season we appointed our current manager Ian Rowe who promotion to Step 5 Midland Football League by winning the West Midlands Regional Premier League's in its 125th Anniversary year, with a record points total, on top of this they were crowned winners of the Staffs FA Vase too.

2015/16 season was our first season for the club at Step 5 saw us finish a credible third in the league. On top of this the club cemented its place amongst the non-league fraternity with a memorable FA Cup run, missing out to another non-league giant FC United of Manchester for a place in the First Round Proper. The final game of the season saw us lift the JW Hunt Cup in its 90th year at Molineux. The season also saw the introduction of our Ladies and Girls teams with the Ladies first team playing the National Women's League.

# Club History

(Continued)

2016/17 season saw us reach the Quarter-Finals of the FA Vase losing narrowly to Coleshill Town and also finish third in the League. The next season we finished fifth in the league.

Season 2018/19 saw the opening of the 3G stadia pitch with a total investment of £1 million which also included a new 300 seater stand and new changing rooms. Again we finished a creditable third in the league and won the J W Hunt Cup for the second time this time the Final was against Highgate United and again was played at Molineux.

Both the 2019/20 and 2020/21 never were completed due to the Covid-19 pandemic. 2019/20 season we were second in the league when the season were curtailed in March 2020 and also reached the FA Vase Quarter-Final. 2020/21 season we were first in the league when the season was curtailed in December 2020. Due to the re-structure of the National League at Steps 3-6 we gained promotion for the first time in our history to Pitching In Northern Premier League Midland Division (Step 4) on PPG over the two seasons, finishing top of the Midland League.

Season 2021/22 saw our men's first team in the Pitching In Northern Premier League Midland Division the highest league the club has played in and had an impressive first season by finishing eighth. In the FA Cup, Khalsa progressed to the Second Qualifying Round eventually losing to Conference North side Kidderminster Harriers. It was our debut in the FA Trophy, Khalsa lost in the Third Qualifying Round to Rushall Olympic who did the double over Khalsa by beating Khalsa in the Final of the Walsall Senior Cup played at Bescot Stadium, which saw goalkeeper Sam Arnold given his marching orders after six minutes.

Last season the club finished in its highest league position, qualifying for the Northern Premier League Midland Division play-offs having finished in 4th place having occupied a top 5 spot for most of the season. Promotion hopes were dashed by a narrow 2-1 defeat at Spalding United in the play-off semi final just 3 days after beating the Tulips by the same score at home to confirm their play-off spot. FA Cup and FA Trophy hopes were ended at the first attempt by Boldmere St Michaels in both competitions while leading scorer Miracle Okafor was named the Northern Premier League Young Player of the Season.

Postcard from Italy!

“Choose parking right next to the ground”.

That’s the one statement in that Trainspotting-style ad I take issue with.

For a start, unless things have changed dramatically, it’s inaccurate. Ever since my first game up The Lye I can recall the car park was always full up to the gunwales, so good luck trying to find a space there within an hour or two of kick-off. It’s not as bad as Redditch United, mind. I recall having the feeling each Reds supporter would have had to drive three cars to The Valley to explain the ratio between supporters and vehicles on a match day.

But I digress. One of the things I miss most about being able to get along to The Sports Ground is the public transport links.

I’ve been to away days with The Lye played in the middle of nowhere, at grounds in the sticks that would have been hard to reach without private transport during the daytime, never mind evening games. I’ve had to cadge lifts home with players in the past.

We are spoilt at our ground. In large part that’s thanks to the fact we are bang on the number 9 bus route, from Stourbridge to Brum. With those buses running well after the final whistle, I’ve usually been able to hop on and get home without too much fuss – although care should be taken with any minor cup ties that still cling to the idea of staging extra time before penalties....

Postcard from Italy!

If you're not based on the number 9 route you can connect to other parts of the club's (presumably still small) hinterland via Stourbridge bus station and there's also Lye train station a relatively short walk from the ground – although I'm not sure the rail service is as regular and easy to use as the bus.

Why am I using my programme notes to talk about bus routes? Have I finally reached the age when the bus service and dog mess dominate my everyday thinking? Hopefully not.

My point is that Grant is working miracles to give us a team capable of finishing in the top half at this new level and Brian has been moving heaven and earth for years now to quietly transform not just the playing staff but the stadium facilities and match-day experience for supporters. Shouldn't we be trying to be the best version of ourselves too, as supporters?

If you can walk or cycle to the ground, do yourself a favour. I'll even give you permission to treat yourself to an extra post-match pint – you've earned it. Otherwise, think about getting the bus or train and then you don't need to worry about alcohol intake and you can help keep The Lye's carbon footprint down. If you really must use a motor, why not ask around to see if any of the supporters around you live nearby for a potential car share – that'd save you a few quid over the course of a season too, wouldn't it?

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

## SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

## OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.
